

1 1/2"      1 1/2"

### Never Ending Card

Cut 4 pieces of cardstock 6" x 3"

Score at 1 1/2" vertically, and 1 1/2" and 4 1/2" horizontally.

Butt two pieces horizontally together and place tape on the four corners as shown.

Butt the remaining two pieces together vertically and place over the top of the first two pieces, making sure they run in opposite directions to the first.
